Waste Oil Tanks

Data Sheet

Capacities from 1,000 - 2,500 Litres

Benefits

- **Durability**

The tanks are moulded from high quality, impact and UV resistant polyethylene. Rigid construction makes them resistant to mechanical damage

- **Environmental protection**

The advanced banded design provides excellent protection against oil leaks and spills

- **Simple installation**

Does not require any additional containment, collector tanks or special connections

- **Warranty**

All Kingspan banded tanks are covered by a ten-year warranty*
